# FAMILIES FIRST BREAKFAST

## TOGETHER FOR FAMILIES

### ABOUT THE EVENT

Families First Breakfast: Together for Families is a special morning gathering that **brings community, connection, and impact together**. Guests will enjoy a complimentary breakfast while connecting with community and corporate partners who share a commitment to strengthening families.

The program will feature **powerful stories from parents** whose lived experiences and voices are helping shape brighter futures for families across our communities. We will also **honor dedicated community and corporate leaders** who have been steadfast advocates for families and champions of the mission that drives this work forward.

This breakfast is an opportunity to listen, network, and celebrate the people and partnerships that make meaningful change possible for families.
